## FOR IMMEDIATE RELEASE

### STATE ROUTE 18 OVERHEAD BRIDGE IN LLANO AT COUNTY LINE CLOSED FOR CONSTRUCTION

**LLANO** - The California Department of Transportation (Caltrans) will **CLOSE** SR-18 at the County Line Overhead Bridge in Llano starting Monday, August 10, 2015 for the duration of the project to replace the bridge deck including joint seals and bridge railings.

Local businesses will remain open throughout the course of construction; however minor delays in traffic and access are anticipated. Detours will be posted.

This pavement rehabilitation project will preserve and extend the life of the overhead bridge, improve the ride quality, enhance safety and minimize the need for further lane closures. Completion is estimated for summer 2016. MCM Construction of Bloomington, California is the contractor on this \$3.1 million project.

Caltrans advises motorists to please **“Be Work Zone Alert”**.
